Eco experiences are never be this fun!

This is a once-in-a-lifetime **Eco-adventure** that gives so much while taking so little away from the forest.

Flying Hanuman is your chance to see the **unseen face of Phuket**, the Pearl of the Andaman. After **flying from tree to tree**, you will know there is more than sea, sun and sand here.

FLYING HANUMAN
is a personal experience
that changes
each time you visit.

FLYING HANUMAN is a voyage of
ADVENTURE and **DISCOVERY**

Real Rainforest Ziplining

There is something magical about the forest when you see it through Hanuman's eyes, you get a little closer to being one with nature and you understand why it is such a stunning home to so many plants and animals.

FLY FROM ONE CENTURIES
OLD TREE TO THE NEXT

the forest becomes
magical through
HANUMAN'S EYES.
